**SPECIALISED STAMP CATALOGUE OF THE
FALKLAND ISLANDS AND DEPENDENCIES**

Preis pro Einheit (Stück): €60.00

SPECIALISED STAMP CATALOGUE OF THE FALKLAND ISLANDS AND DEPENDENCIES INCLUDING
POSTAL HISTORY AND CANCELLATIONS
1800 - 2020 with BRITISH ANTARCTIC TERRITORY and also PAPER MONEY, COINS and TELEPHONE
CARDS

7. Edition 2020, 288 pages, colour, hardbound.

This is the most comprehensive stamp catalogue of Falkland Islands stamps ever produced. In the catalogue you will find information about and prices (based on market values and auction realisations) for:

All issued stamps of the Falkland Islands, the Dependencies, South Georgia and British Antarctic Territory, including prices for mint, used and on cover, with illustrations of most stamps.

All major varieties including watermark varieties, printing errors, flaws etc with many illustrations, essays, proofs, printer's samples etc.

Postal Stationery from Queen Victoria to the latest issues including essays, proofs and varieties, with illustrations of every item.

All postmarks and cancellations used in the Falkland Islands, the Dependencies, South Georgia and British Antarctic Territory, with prices for single stamps and covers and full size illustrations.

The Miscellaneous chapter contains every other possible aspect of Falkland Islands philately in 50 sections.

Non-philatelic collectables: Paper Money, Coins, Telephone Cards and Tokens.

You will also find general information about the Falkland Islands and the Dependencies, full listings of Postal Rates, Printing Dates and Numbers Printed of every stamp up to 1985, Numbers Destroyed, General Philatelic Information about Papers, Perforations and Watermarks of Falkland Islands stamps.
