This publication is a concise catalogue showing current values, at the date of publication, Australian and Australian Antarctic Territory postage stamps.

General information on each issue is given but not specialised details – perforations, watermarks, method of printing etc.

Renniks Stamps of Australia, 17th Edition has been entirely revised.
This Edition is the most comprehensive revision since the book's first publication in 1984.

Major changes include:

bigger size of the book, previously A5, now 30% bigger to B5
updated, corrected and improved images
updated pricing
additional introductory pages
additional descriptions and relevant information

Additional value columns for Gummed and Self Adhesive stamps of the same type
Changed catalogue numbers. This was no easy decision, but after reviewing the sheer volume of changes and additions, it was clearly the only way to go.

Editor: Mickel Smits

Reviews:

'A beautiful looking Catalogue and clearly the product of a lot of hard work.' Ken Pullen, Bexley Stamp & Coin Accessories.
