Weber, Sascha The Medal for the Winter War in the East 1941/42

1. Edition 2019, 266 pages, size A5, Hardcover.

The author Sascha Weber is dedicated in his latest work of the "Medal Winter Battle in the East 1941/42 (East Medal)". No other award reflects the hard and often gruesome winter struggle on the Eastern Front, such as the "Frozen Meat Order" called in soldiers' jargon. On 260 pages, the numerous manufacturer variants in word and Picture presented. In addition to the historical background, the foundation and the award conditions, the author also goes into the exact work processes and production processes. This work is rounded off with partly unknown information and pictures of individual medal makers who produced this medal. This work is supplemented by numerous, rare award and photo documents. Another valuable work for the beginner and advanced collector!

For the first time this award is dedicated to a publication in English, which will certainly develop into the

standard work in no time at all.

This high-quality specialist book in A5 format appears in a standard edition. Format A5, hardcover, bound and with bookmark. 266 pages, completely in color, nearly 1000 pictures and pictures. Updated and expanded compared to the German edition.
