2024 Scott Stamp Identifier Definitive Issues, 3rd Edition

Identifikationshilfe für Dauermarken der USA.

Formerly included as the Identifier of Definitive Issues in the Scott Specialized Catalogue of United States Stamps & Covers, this new Scott Stamp Identifier of Definitive Stamp Issues, 2022 1st Edition, is now separate and much easier to handle. It is now even easier to identify stamps while using your Scott catalog. The Illustrated Identifier, formerly included near beginning of the Scott Specialized Catalogue of United States and Covers, is being published as a separate book for the first time. The 2022 first edition of the Scott Identifier of Definitive Stamp Issues will be available for purchase later this year as a softcover book featuring 6-inch-by-9-inch pages in a two-column format.

76 Pages with color illustrations.
