2023 Scott Specialized Catalogue of U.S. Counterfeits

Preis pro Einheit (Stück): €95.00

2023 Scott Specialized Catalogue of United States Counterfeits

97 Seiten, Text englisch, Format 15 x 22 cm, Softcover.

The new 2023 Scott Specialized Catalogue of United States Counterfeits is the essential reference work for collectors of United States counterfeit stamp issues. It is also the go-to reference for users of postage stamps who want to know the differences between authentic postage stamps and counterfeits of a given issue. Postal counterfeits and nonpostal and revenue counterfeits are listed in separate sections. Counterfeiting of United States forever stamps increased exponentially in 2021 with most new issues being faked. Scott catalog editors have noted within the Postage section of the Scott Specialized Catalogue of United States Stamps and Covers what stamp issues are known to exist as counterfeits and have placed that information in

footnotes. Because of the large number of new forever counterfeits stamps (more than 300 major numbers in the last year), Scott editors have decided to only list denominated and earlier counterfeits in the 2023 Scott U.S. Specialized. No forever or postcard-rate counterfeits are included in the 2023 U.S. Specialized catalog from the years 2007 to date. The forever counterfeits are included in this new catalog.
